Ride Reports :

Victor reported that a Sunday ride in the National Park ended with a mishap.

Appears another motorcyclist rounded a bend in the National Park and lost control of his motorcycle. His motorcycle slid across the road into Victor who was knocked off his bike and Ron D who was behind Vic, regrettably ran over Victor's bike and also came down.

Luckily, both Victor and Ron suffered minor damage to themselves with some bruising etc. However, both bikes also suffered damage but were still able to be ridden home. The other gentlemen's modern go fast crotch rocket was not so lucky with major fibreglass damage.

Appears there will always be those riding who just know they are better than Mick Doohan ever was! Be warned.
